Description

This villa has been modernly reformed in 2012 and is very well maintained.

Due to its unique exposed location it offers sea views from every room. The spacious living room with fireplace and open kitchen with kitchen island and high ceilings with wooden beams offers light flooded spaces with a clean finish.

There are various terraces and you can enjoy sea views from the pool area too. Additionally, there is a garage with space for two cars available.

Features

Welcoming terrace areas, separate pool house, underfloor heating, air conditioning, high-speed internet, alarm system, double garage.
