Description

One will find this apartment in a quiet, sought-after street of the old town in Palma close to all amenities like restaurants, cafes, shops, the Paseo Marítimo and a 15min walk to the next beach. The flat has been renovated by a renowned architect and interior design studio and has achieved to preserve the originality of the old town by maintaining the popular constructed wooden beams and handmade Mallorquin tiles. Nevertheless, the living room, kitchen and dining area are an open, modern space and thanks to the floor to ceiling windows the flat is airy and full of light. The kitchen is equipped with top notch appliances and offers lots of space. On the way to the bedrooms you will find an internal glass gallery and a little hallway. Again, this offers lots of light and gives you the option to decorate at your own taste e.g. as a small library with a cosy sofa. There is a master bedroom with en-suite bathroom and walk-in wardrobe and a second double bedroom with en-suite bathroom. There is also a guest toilet in the flat. If you love the old town of Palma and look for the flat par excellence, look no further! Unique apartment and unique opportunity.
