Reference:	SE209	Bathrooms:	3	Year:		Location:	Camp de Mar

Description

Noble designed natural stone finca in a special location with unparalleled sea views above the bay of Camp de Mar. The finca has a well-maintained courtyard with a double garage as well as a guest apartment and a beautifully landscaped garden. When entering the finca, one immediately notices the stone facades and wooden beams, which give the villa originality. The constructed living space is 700m² with a spacious living area and terrace with pool. On the ground floor there is also the spacious kitchen with dining area and adjoining terrace from which you can enjoy the sea and panoramic views. On the 1st floor there is the master bedroom with its own bathroom as well as the dressing area and its own terrace with views of the pool and the sea. There are also two further bedrooms with a shared bathroom and an office on this floor. Camp de Mar is characterized by its excellent location in the southwest. Palma is only 20 minutes away, but Port Andratx is just a stone's throw away. In the vicinity there are fine restaurants, beautiful beaches and picturesque bays that invite you to relax.
