

## NEW-BUILD APARTMENTS AND PENTHOUSES IN SANTA PONSA

FANTASTIC PANORAMIC VIEW IN AN ELEGANT COMPLEX NEAR THE SEA

Price:	606,400€	Bedrooms:	4	Plot Size:	0 m2	Built Size:	155 m2
Reference:	SE198	Bathrooms:	3	Year:		Location:	Santa Ponsa

### Description

Attractive apartments in a prime location in Santa Ponsa. The new building project is currently being planned.

The apartments have four bedrooms and three bathrooms, two of them en-suite and with 18 m<sup>2</sup> terraces. The apartment on the ground floor and the penthouse have a 90m<sup>2</sup> private terrace. Because they are built on a slope, the apartments have a sensational view of Santa Ponsa and the golf course. The east-south-west orientation ensures sun all day. The distribution of the rooms is modern, with an open kitchen, kitchen island and light-flooded living / dining area.

Overall, an enormously coherent concept.

Prices start at 606.400EUR for a ground floor apartment to 1.126.400EUR for a penthouse. Expected completion in 2022

### Features

Air conditioning h / c, pool, garden area, fitted wardrobes, garage, central heating, terrace, Climalit aluminum windows, Mallorcan shutters, Bosch / Siemens kitchen appliances, marble staircase, elevator, 2 community pools
